Your Love Story

EVERY COUPLE HAS A LOVE STORY.
LET ME TELL YOURS. | Your wedding is a
unique reflection of you. That's why I love getting to
know you, and your wedding details, personally.
Knowing your wedding day dreams enables me to
create authentic images that reflect the real you.

My shooting style produces images that reveal the
intimate and authentic expressions of the love and com-
mitment you share. Unguarded. Natural. Emotional.

The cherished images of a lifetime.

Your wedding day will be filled with extraordinary
moments — intimate, surprising, and joyous. Cap-
tured creatively, those moments shine through as
timeless heirlooms, instantly bringing you back to
the essence of your day.

I would love to tell your love story.

Choosing Your Photographer

BRINGING YOUR WEDDING MEMORIES TO LIFE. | You have hundreds of wedding plans to make. Deciding who will bring your memories to life is one of your most important. When the flurry and excitement of your wedding is over, it's beautifully captured images that help you revisit the romance, emotion and spirit of an event that passes so quickly.

So, how do you choose the best wedding photographer for you?

CHOOSE A PHOTOGRAPHER WHO VALUES YOUR DREAMS

You are more than just a shot list. Instead, I invest time getting to know you and your wedding dreams. That makes all the difference. You will be more comfortable in front of my lens, and your images will have the natural, more authentic feel of true keepsakes.

VIEW PORTFOLIO IMAGES FROM AN ENTIRE WEDDING

I will capture consistent, quality images throughout your wedding day. Details matter. And the subtle nuances of your day are important. I'm happy to share entire wedding galleries with you, so you can assure yourself that the quality you expect consistently shines through in every shot.

CHOOSE A SEASONED PROFESSIONAL

With over a decade of working in many different lighting environments and situations, there isn't much I haven't seen before. I'm committed to professional and timely response to your needs before and after the ceremony. All hallmarks of a seasoned professional. And all assurances that every special moment of your wedding is flawlessly captured. Once booked with Lovely Day Photo I offer unlimited timeline support and location planning. Even if it means meeting you at your venue, or planning a field trip to help put your mind at ease.

Booking Your Photographer

THE EASIEST PART OF YOUR WEDDING PLANS. | Let's get together — in the studio, on the phone, even SKYPE — I'm flexible. We'll chat about your wedding day, confirm your date, and discuss all the fun details. I'll show you examples of beautiful custom wedding albums and other items that can become your cherished wedding day heirlooms. Together, we'll select the perfect package for your wedding.

Once we confirm the details, I'll prepare your contract. After you return your signed contract and the retainer fee, I'm officially your wedding photographer!

THE NEXT STEPS — WHAT YOU SHOULD EXPECT

After you've booked: Schedule your engagement session, and start planning outfits.

4 Weeks Before Your Wedding: We'll schedule your final timeline meeting.

7-10 Days Before Your Wedding: We'll get together to confirm the details, timeline, and talk about any special requests.

Your Wedding Day: I follow your timeline as your day unfolds, and make adjustments, if needed.

Monday After Your Wedding: Sneak peek images are posted to social media for your friends and family to view.

4-6 Weeks After Your Wedding: Your wedding is ready to view in your private online gallery.

6-8 Weeks After Your Wedding: You'll want to submit your favorites so we can start your album design.

90-120 Days After Your Wedding: Your wedding album arrives. Most of your other printed items should already be in your hands.

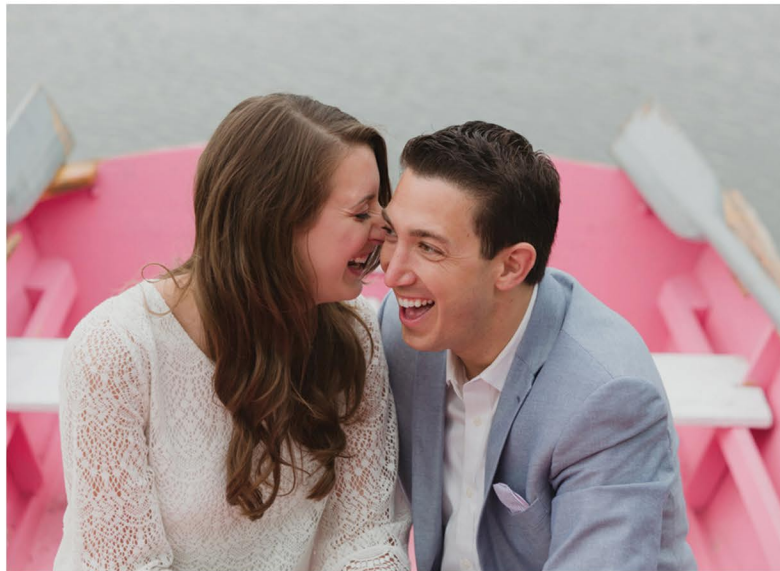

Engagement Sessions

SHOW YOUR LOVED ONES HOW IT ALL BEGAN. | Engagement sessions add so much to the story of who you are as a couple right now, and they're an ideal way to become more comfortable in front of my lens before your wedding day.

Your engagement session can be as simple as a stroll through your favorite park, an intimate meal at your favorite café, or even a romantic return to where he proposed — anything you can imagine to share the imagery of your personal love story.

Formal or informal, images from your engagement session are beautiful additions to your wedding album, and also make a wonderful signing book. They help to craft the whole story, and can even be used for save-the-date cards, invitations or thank you cards.

Love Note

FROM THE COUPLE
JENNA & MIKE

"We are elated that we chose to work with Melissa at Lovely Day Photo to capture one of the most important days of our lives! When it comes to wedding photography, as a bride, you want the peace of mind to know you have someone reliable who won't miss one important moment and who will deliver what they promise. I knew from the moment we had our first phone call that we would be working with the most organized, dependable photographer in Buffalo! Melissa provided beautiful guidance on the timeline of the day, arrived promptly, had great insights, had sunsets planned down to the minute, and poured her energies into capitalizing on every moment to capture the fine details that we worked so hard to plan and convey. Melissa did not stop for a moment on our day, and did so unobtrusively with such a gentle but powerful level of service. She made my husband and I feel so comfortable, bringing out our happiest most natural selves, which makes all the difference in the world for timeless photos to remember. As if forging paths through creeks, pulling out tree roots, filling champagne glasses, and guiding you through the tall grasses for the perfect shot was not enough, we were brought to tears by the phenomenal viewing of our wedding photos that were candid, timeless and stunning representations of our love and our relationships. We can't wait to call Melissa again in the future to be by our side for life's important moments. Don't hesitate for a minute, you'll be so glad you chose Lovely Day Photo!"

Your Wedding Timeline

A SMOOTH FLOW TO YOUR SPECIAL DAY.

Memorable weddings don't just happen. They take a bit of organization. To ensure a smooth flow of beautifully captured memories of your day, a timeline of wedding events will help guide your planning.

GETTING READY: THE BRIDE & GROOM

1.0 to 2.0 hours

Plan for some additional time for photos at the salon, and if you're planning a "first look".

THE WEDDING CEREMONY

15 minutes to 1.5 hours

The length of your ceremony may vary widely. Afterward, allow more time for formal portraits to allow your guests to leave the church or venue.

FORMAL GROUP & FAMILY PORTRAITS

15 minutes to 1.0 hour

Formal portrait timing can vary widely depending on group size and family/group combinations.

WEDDING PARTY & THE NEWLYWEDS

1.0 to 3.0 hours

Timing can depend largely on the location(s), size of the bridal party and variety of poses.

YOUR RECEPTION

2.0 to 6.0 hours

Your first dance, cutting the cake, dancing guests, friends and family sharing your joy.

Remember. Your wedding day is unique, and planning together ensures you don't miss a minute of this special time in your lives.

Details, Details

SOMETHING BORROWED, SOMETHING BLUE GREEN.
Whatever the color... the dress, the rings, the cake, the bouquet.
These, and all the other visual details of your wedding, are
small but oh-so-meaningful expressions of all that is unique
about you. They are the fine points that distinguish you as a
couple, and form the visual texture of tender memories.

I promise to document them with care.

THIS DAY I WILL MARRY

MY FRIEND.

THE ONE I LAUGH WITH,
LIVE FOR, DREAM WITH, LOVE.

HOPE & CHRIS

"Melissa was just incredible. We are so glad we chose her!"

From day one, it was clear that Melissa was the right choice. She is organized, professional, hardworking, creative, knowledgeable, personable, and friendly. When we first met her in her studio (where we were greeted with two delightful glasses of champagne), it felt like we were talking to an old friend. She's great to work with, and I'm happy to report that her warm demeanor absolutely extends to all of her interactions with guests on your wedding day. She not only took great photos (as you can see in the examples) but she made our wedding more fun because she was part of it.

Melissa has an eye for beautiful photos and a gift for making people smile and laugh. She's basically everything you could want in a wedding photographer. You cannot go wrong with her!"

Remembering Your Day

MEANINGFUL CONNECTIONS TO YOUR WEDDING DAY. There is something about holding a photograph in your hands. It connects you physically to the feelings of a time and place that an image on a screen can't replace. That's why your wedding album is so important. It is a tangible link to your wedding day.

Already know the images that you'd like to see in your album? Great, send us your favorites and we'll use those to create your first draft.

MARY & BRETT

"One of the best decisions we made for our wedding! Hired Melissa as our photographer- she is without a doubt the BEST and we had such a blast with her on our wedding day! We were referred to Melissa by a friend, and when we met with her to go over details, packages etc she greeted us with champagne :) how fun is that? She was so pleasant, friendly, outgoing, and not at all pushy, she made us feel so comfortable. We ended up booking her the next day. In October we had an engagement session at Chestnut Ridge which was included in our package, the pics of course turned out amazing. We needed some help downloading the files etc and Melissa was always so responsive and helpful. When our wedding came close she was on top of scheduling a last meeting and even helped us pick a place for day of photos. The day of our wedding she was early to my house which is always a plus. She took photos of me and my girls since we were ready early. She then went off to the church to meet the guys. The whole day was such a blast with her. Someone at my wedding even asked if she was my event planner as she was bringing me water, she even helped bustle my dress and sewed my cousins ripped dress! Melissa truly was incredible!"
